# Tewkesbury Half Marathon

## ***Important Road Closure Information***

The Tewkesbury Half Marathon will take place on Sunday 12 April 2026, forming part of Tewkesbury's annual events calendar.

The event will start and finish in Tewkesbury town centre, with the main event village located nearby. Preparations in the week leading up to the event, as well as on the day itself, will require vehicle movements within the event area, which will be fully marshalled.

Access and egress for pedestrians and cyclists will be maintained. However, for safety reasons, there will be temporary restrictions at certain access points. These must be adhered to, and extra care should be taken when moving through the area.

The Tewkesbury Half Marathon route map can be viewed [here](#).

Please take some time to read this document carefully, as significant road closures and diversions will be in place to accommodate the thousands of runners taking part.

If you have any unanswered questions after reading this document, please get in touch via the contact page on our website.
